Sliding Scale Fee - Policy

It is the policy of Curran Seeley Foundation to provide essential services regardless of a client's ability to pay, whether payment for said services would be made under Medicare, Medicaid or CHIP. We do not discriminate based on any individual's race, color, sex, national origin, disability, religion, age, sexual orientation or gender identity.

Curran Seeley Foundation offers discounts based on family size and annual income. Individuals wishing to apply for a sliding scale discount must provide proof of income via the previous year's W2, 4506-t (if W2 not filed) or **two** current pay stubs.

The discount will apply to all services received at this clinic, but not those services or equipment purchased from outside, including reference laboratory testing, drugs, and other such services.

You must complete this form every 12 months or if your financial situation changes.

- The sliding scale fees are calculated based on Group/Individual sessions on reported gross family income.
- It is your obligation to inform Curran Seeley if you have insurance.
- If your insurance requires pre authorization, it is **your responsibility**.
- **A collection agency may be utilized to collect overdue accounts.** *
- Parents are responsible for fees associated with the treatment of their children.
- In the event of third party contracts (DFS, EAP, etc.), you will be responsible for the sliding scale until all documentation or referral verification is received.

*Individuals wishing to apply for a sliding scale discount must provide proof of income via previous years W2, 4506-t (if W2 not filed) or **two** current pay stubs.

Clients will be billed the standard charge for the program until the proper documentation has been provided for review and approval.
